ADRIENNE

PHOTOGRAPHS BY MARY SMITH

The warm sand, the sea,
a spectacular sunset...
and Adrienne. If we were
in the holiday business
we know how we'd sell
the West Indian Isle of
St Kitts. Imagine rolling
on the surf with
Adrienne, your tongue
slowly exploring every
crevice of her body. The
sun goes down... slowly
followed by our vulga-
rious blonde. She puts
her soft lips to your cock,
the waves crash... sud-
denly all you can feel is
the warmth of her mouth
on your shaft. Your head
fills with sand. You
come, roll over, and
Adrienne slowly works
away with her nimble
fingers restoring you for
a slow swim in the sand.
With you were here? ☺

A full-page photograph of Claudia Schiffer. She is posing in a black, low-cut, short-sleeved dress with lace detailing at the hem and a matching black lace garter belt. She is wearing black high-heeled shoes. She is leaning forward, with her right leg bent and her foot resting on a blue chair. Her left leg is extended. She has long, wavy blonde hair and is looking towards the camera with a slight smile. The background is a textured blue wall.

CLAUDIA

PHOTOGRAPHS BY CHRIS LAPIN

Claudia is class. A seat of plush totty from the smart part of Sussex. But crank you way up the gravel drive to her home in Wayward Heath, and you'll be shocked by what goes on inside. "Some of my parties turn into full-on orgies," admits the 23-year-old Schiffer look-alike. "All my friends are highly sexually motivated, so as soon as dinner's over the snogging begins. I usually start off with the guy sitting next to me and move onto his mate. If there's an older man around I make sure I get a piece of him too. I love older guys!"

"Basically it's mayhem. We swap partners, try out techniques and soon the CD is drowned out by moaning, as we screw on the sofa and roll around in front of the fire. You must come..."

*Imagine... it's the 60s.
You've streamlined your Vespa
motor and invited that dolly
bird from that with-it London
magazine, Sammy Jessop, to
ride pillion for a run in the
city. Her arms wrap round
your waist as you overtake the
squares in the Mallway Maze,
then stop for a Wiggly air*

and Ed will spend an smooching in The Wife on the juke box. A couple of Watusi Pales in the pub and a purple heart, and your most chick is cooking. Her tongue is darting between your lips as you kiss, so it's down to your first place under the pier for some serious stop-and-stick. "Guh! Don't tell me more!" she giggles as your hand slides into her bra for the first time. You've cracked it!

Things were so much simpler back then... ☹

PAMMY JOANNE & JENNY

A week may be a long time in politics but it only takes six months to turn a Liverpool lass who'd never heard her tits into a rampant tit-flicking leech in her first three-girl set! "I feel like I've won the sex lottery. I'm that lucky," says 22-year-old Joana. "I've handled some of the biggest cocks I could think of. Now, I'm having my pussy pampered by two gorgeous girls. Goosh! They were so gentle. Their fingers felt like feathers on my nipples and their tongues teased my clit beautifully - at the same time! But don't worry, I'm not off cock. On the contrary, it had me gasping for anal! Barely like can't get any better than this!"

KATHERINE

MICHAEL MOORE

Portsmouth has lavish plans to celebrate the millennium. The whole harbour will be resounded but the council's plans have nothing on Katherine's. "I'll be 33 then, and I always promised I'd have bedded 50 fellows by my 30th birthday and fulfil all my sexual fantasies!" says the Southern accent. "I'm still looking for about 35 guys, a long Indian 49, a bit of well intentioned bondage with a big filter, and the chance to share the showers with Portsmouth Town's football team. Come on, lads, I know just what to do to ease those tired muscles! My care for crump will have you in the Premiership, no trouble - even if it's only the Premier league for long time!" (2)

Some men describe Lucy's legs as going on forever. They're wrong. They stop at an equally attractive pussy, and the slim Gloucester fashion model is looking for somebody to give it a trim. "I've always let my pubes grow naturally, but now I want somebody to treat them to a short back and sides," says the 22-year-old. "The reward is that they can be the first to lick my newly shorn love lips, and maybe even slip something inside them. Come on, boys - pamper my pussy!" ☺

When we last met Susan Stewart in 1994, she was planning a long summer of sex. So why did it take so long to get back to us, Suzie? "Well my summer season got somewhat prolonged. It turned into an autumn, winter and spring of sex as well! In fact, I didn't stop doing it till last winter. My Christmas promise to my pussy was a couple of cock-free weeks but it's back in action now. In fact, all that practice has made it so muscular, I could get some out of a stored Wand me to prove it!" ☺

CARRIE

Mayfair, well, comes our very own girl gladiator — Orgasm, aka Carrie from Colchester. Orgasm trains every day, working out her Panny muscles on her sparring partners until they can dream a cock with just a single touch. The 20-year-old also has amazing stamina, able to sustain sex from equally well built males for hours at a time! Seriously, Carrie is our hot sex machine. "Are you fit enough to take me on?" ☺

JEN

NY

Fancy a weekend in bed? Then join Jenny, the 23-year-old work-and-sex-holic from Wimbledon. "Saturday is spent relaxing watching telly and cuddling, softly soothering away the tensions of a week in the office. Then on Sunday..." The smart secretary suddenly gets stimulated like a tiger loaf with a serious clifty. "It's waaaaa-hunggyy!" Could she define "waaaaa-hunggyy" a little more precisely? "Lots of athletic sex in every conceivable position. Ridiculous role play with bits of bondage and some silly spanking. Long lip-numbing, tongue-tangling looks of anal sex. And bawling. Lots of bawling - all day and night. Believe me, you'll be glad to get to work for a good rest!" ☺
